We request a contribution of 30 Euros, equivalent to a bag of rice, for the European Buddhism Retreat, which is essential for balanced spending like every year. Tuition fees remain the same. You can get a roundtrip ticket to Düsseldorf airport and train passengers to the Neuss Station . The Vien Giac Pagoda and Khanh Anh Evry are accepting valuable contributions for this event. Please kindly support our effort.

We wish all the monks and nuns and Buddhist men and women the remaining joyous days of the Year of the Rooster and prepare to welcome the Year of the Dog.

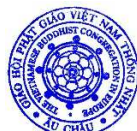

Namo Hoan Hy Bodhisattva.
